CUSTOMIZED LOGISTICS SOLUTIONS FOR YOUR BUSINESS

“Outsource
my transportation
management?
You bet!”

ATS Logistics Services, Inc. has just one mission: To help your company work faster, leaner and smarter by streamlining the management of your distribution. We have the technological expertise with seasoned logistics analysts that can help you manage your freight from order entry to final invoicing.

As a division of Anderson Trucking Service, Inc. (ATS), we leverage our 55+ years in the transportation industry and bring you the power of 28,000+ contracted carriers, 2,500+ ATS equipment assets and valuable rail and maritime partnerships.

ATS Logistics Services keeps you moving in the right direction without the burden of overhead, regulatory requirements or nagging personnel issues. Do what you do best and leave your distribution management to us...we'll get you there faster, leaner and smarter.

ATS Logistics Services can help you:

- Reduce Your Distribution Expense
- Streamline Your Transportation Management
- Eliminate the Burden of Overhead, Regulatory Requirements and Personnel Issues.
- Obtain Superior Reporting and Visibility
- Better Focus on Your Core Competencies
